RULES OF INSTRUCTION

Solicitors are required to carefully inspect all buildings to be insured or readjusted. They must be especially careful to examine all chimneys, flues, and pipes, see that chimneys are not cracked, or the mortar out between the bricks, etc. Remember that in no case will a risk be taken or reinsured on a building where a chimney is defective. Require it to be rebuilt and made safe. Lightning and defective chimners are the principle causes of our fires-hence the precaution

If property is owned jointly write-John D. Smith and wife.

" " by Father and Son write John D, Smith and Son,
" " Brother and Sister write John and Mary Smith.

If a church, write, M. E church, Phil Noel, Trustee,

Never write % of \$100 vs \$66,66 but make it \$65. Always have the totals even \$10. Make footings correct.

In case a member owns property in one or more townships the home solicitors should readjust all of his property. If Lightning insurance is wanted on live stock any place on farm, place an amount on the same.

Give the name of owners of building completed by tenants. Only % of the property of tenants can be insursed. All applications must be signed. Give address and state when assessment is to be paid.

Do not insure at any price old delapidated or small valueless buildings. If a building is out of repair and the owner agrees to repair it make mention of the same under remarks.

The following rules are designed to give the insured value of new buildings and not their cost or real value. Solicitors must exercise a due amount of care and judgment in all cases; as no fixed set of rules can be had that will apply in all cases. You should make a reasonable reduction usually 1 per cent of the value of the building for each year old- for depreciation by reason of age or want of care. See that ashes are taken 50 feet from all buildings,

NEW HOUSES

There is such a variation in the style, quality and finish of houses, that a fixed rule is almost useless. Will give one for a common house

Rock foundation frame shingle roof common siding, 8 light windows 2 coats of paint" L" style, Size, 16x28x15; 12x29x5-2110 cu, feet, @ 4c, --\$355 Insured value and not the cost.

The rate per cu. ft. on houses, ranges from 1 to 6c according to style, quality and finish, usually 4c.

NEW BARNS.

CLASS No. 1 Foundation wall, good frame, slate galvanized or metal roof clear matched siding, house windows, well finished cornice, cupolas, roller doors, three coats paint, granary floors, stabling complete, with cement floors, spouting and all well made.

Size 40x60x20-48000 cu. ft, @ 11/2-7290) cor \$72.0 Insured value and not cost.

CLASS No. 2 Wall, Frame, steel or shingle roof, shiplap siding, windows, painted, floors, granary, good stabling, finished throughout,

Size 40x60x20-48000 cu. ft. .@ 1% e \$600, insured value.

CLASS No 3 Rock. Frame, shingle, rough open siding, no paint, no windows, granary, floors and stabling, well built throughout, Size 40x60x20-48000 cu it ic-\$480, insured value.

The companies who our memb SFARMERS' MUTUAL FIRE INS. CO., According to the report of the Parmers' Mutual Insurance Union of Indiana, our company is one of the best managed in the state. During the past the three years, members have not been assessed for money to pay running expenses,—only actual losses. All insured property to be re-appraised this year re-adjusting at this time is expected to get all property is insured for more than % of a fair cash value. The right should you meet with a loss, settlement would be fair more satisfactory. Result will be better and cheaper insurance as past experience has proven. The great secret of cheap cooperative insurance is a fair valuation of property.

WM. F. C. FRANCIS, Secretary.

PHONE NO 57,

ALL MONEY PAID FOR INSURANCE REMAINS IN DEKALB COUNT of months have passed since last assessment with another long list of losses to present. To some it may to this early still that our insurance is becoming expansive; but upon investigation you will find the cost one-half like rate charged by stock companies, and for this spac- of time [6 mo.] our members have saved wuy at comparison the previous call of it months, and this one for month, we have saved in the cost of members to exceed \$7150.00 and so long as the FARMERS MUTUAL produces results like these, we have a

Receiving Agent

Our company has been unusually successful up to March 8th and for the following 32 days we have had four fires, three of which were the largest losses ever met with by our company. For several rears our insurance has been very cheap, and now that we have those large losses to pay, it is sincerely hoped that all members will feel the importance of coming to their assistance quickly land cheerfully. Who is it that would not willingly contribute several dollars to help a neighbor in like circumstances, But our plan is not charity but MUTUALA ASSISTANCIE Pay promptly for who knows but what you may be among the list of losses on our next card. Please correct your postoffice address, R. S. S. REED, President. W. F. C. FRANCIS. Secretary.

pleased to report to the members of the company that an assessment of 10 cents on each \$100 will pay the losses and One year has passed since ONE YEAR'S ASSESSMENT the date of the last loss, paid Z THE FARMERS' for by the last assessment (Oct. 18, 1902),

ASSESSMENT FOR THE PAST 13½ MONTHS IN THE FAR-MERS' MUTUAL

·

We make an assessment of 25 cents on each \$100 to pay the losses for the past 131 months, which losses (\$10,749.55) are the highest in the history of the Company, yet the rate of assessment is not so high as in several former years. This is over \$9,000 less than the cost of the same amount of insurance in a stock company. The average cost per year for the past twentynine years, or since the organization of the company, has been seventeen and one fifty-eigth cents per year on each \$100. The number of members at present is 2958.

SEC. 39. (As amended.) "Each member shall pay his or her assessments to the Receiving agent named on their card within thirty days after the issuing of said notice, and in default thereof, ten per cent. may be added for collection, and his or her policy may be cancelled. The assessment roll shall be evidence in all courts of law, that the sum assessed is due the association, and payable by the person assessed. See that your card is receipted when payment is made. Annual meeting, Auburn, January 26, 1907.

ASSESSMENT FOR THE PAST YEAR IN THE FARMERS MUTUAL

We make an assessment of 25 cents on each \$100 to pay the losses for the past year,\$9539.29, together with an indebtedness of \$759.00, and the running expenses for 1907. To some this may seem like a high assessment, but the cheapest insurance we could get in any reliable stock company would be \$1.20 on each \$100 for three years, paid in advance, which at eight per cent. interest would make the actual cost 46.25 cents per year on each \$100, or nearly double the cost of our insurance this year.

SEC. 39. (As amended.) "Each member shall pay his or ner assessments to the Receiving agent named on their card within thirty days after the issuing of said notice, and in default thereof, ten per cent may be added for collection, and his or her policy may be cancelled. The assessment roll shall be evidence in all courts of law, that the sum assessed is due the association, and payable by the person assessed. See that your card is receipted when payment is made. Annual meeting, Auburn, January 25, 1908.

Assessment for the past Thirteen Months in the Farmers Mutual.

We make an assessment of 15 cents on each \$100 to pay the losses for the past thirteen months, the cost of the readjustment and the annual running expenses. When compared with the rates of stock companies this means a saving in the cost of our insurance this year of over \$15000.00 and for the past 8 years, \$90,000.00.

SEC. 39. (As amended.) "Each member shall pay his or her assessments to the Receiving agent named on their card within thirty days after the issuing of said notice, and in default thereof, ten per cent. may be added for collection, and his or her policy may be cancelled. Assessment for the past Year in the Farmers' Mutual.

We make an assessment of 5 cents on each \$100 of insurance this year which is the lowest in the history of the company. This is only one-eighth the cost of insurance in an old line company, which means that we have saved \$21,000 on the cost of our insurance this year.

SEC. 39. (As Amended.) "Each member shall pay his or her assessments to the Receiving agent named on their card within thirty days after the issuing of said notice and in default thereof, ten per cent. may be added for collection, and his or her policy may be cancelled. The assessment roll shall be evidence in all courts of law, that the sum assessed is due the association, and payable by the person assessed."
